# Welcome to the **Indiana Green Expo 2026**

The Indiana Green Expo is Indiana's largest and most comprehensive green industry educational conference and trade show serving Indiana and the Midwest.

The 2026 Indiana Green Expo (IGE) is presented by the Indiana Nursery & Landscape Association and the Midwest Regional Turf Foundation. Unlike some for-profit trade shows, all proceeds from the IGE are used directly to better our industry through research, educational programming, and other supporting functions.

Since the IGE is managed by green industry professionals for green industry professionals, you'll find targeted, industry-specific products, information, education, and networking that you can use immediately in your profession.

This year Purdue University and the Green Industry have worked together to bring you the best line up yet! Our educational programming has something for all facets of the green industry. The trade show features vendors with new products and show specials to make it worth your while. Take your time to visit as many as possible!

We thank you for joining us this year and look forward to seeing you again in 2027!

# Indiana Green Expo

## MONDAY, FEBRUARY 9, 2026

### MONDAY'S HIGHLIGHTS

**REGISTRATION HOURS:** 8:00 AM – 5:00 pm

**EDUCATION:** Workshops A – I

**EXHIBITOR SET UP:** 10:00 am – 7:00 pm

**JOIN THE CONVERSATION:** #IGE26 

### WORKSHOP A / Room 101

#### **Concrete Paver Installer Course (Concrete Masonry and Hardscapes Association/Formerly ICPI)**

*Chris Geryak, Greendell & Musselman Landscape Solutions*

8:00 am – 5:00 pm

The one-day classroom-based course equips individuals currently employed in the segmental concrete pavement industry with training on proper installation of interlocking concrete pavement systems. This course will prepare you for becoming a Certified Concrete Paver Installer.

### WORKSHOP B / Room 102

#### **Planting Designs in Challenging Landscapes**

*Pedra Sage, Nikki Hendrickson, Judy De Pue*

9:00 am – 12:00 pm | CCH = 3a:2, RT:2

Plant selection is essential to creating successful landscapes – especially in difficult environments. This workshop explores how to choose plants that thrive in challenging sites while meeting a client's aesthetic goals. Presenters will address plant and tree health care, pest and pathogen identification, and practical solutions for recurring plant loss. We will reinforce these concepts with a hands-on diagnostic activity. Participants will earn CCH / CEU credits for IAH, ISA and Indiana Chemist. Everyone will also receive an Indiana native shade and sun palette and a list of resilient plant replacements suited for problematic areas.

### WORKSHOP C / Room 111-112

#### **Indiana Accredited Horticulturalist (IAH) Review and IAH Exam**

*Wayne Gruber, Niemeyer's Landscape Supply*

1:00 pm - 5:00 pm

As an educator and experienced IAH facilitator, Wayne will aid you in preparing for the afternoon exam. There will be ample time for questions and individual attention. The review is also a great refresher for those already certified – earn IAH CEUs by attending. This program is REVIEW ONLY and is from 1:00 – 4:00 pm. To take the IAH Exam, you will need to register and pay through the INLA office or website. The exam will be immediately after the review session, from 4:00 – 5:00 pm.

**For study materials or questions, call the INLA at 317-889-2382.**

- **CUSTOMIZED GOLF COURSE GROW-INS**
- **NEW HOME CONSTRUCTION LAWNS**
- **COMMERCIAL CONSTRUCTION TURF**

**(317) 773-2900**  
**1448 Conner St. Noblesville, IN**

## Monday, February 9, 2026

### WORKSHOP D / Room 116

#### **Effective Communication and Listening**

*Jeremiah Sinks, Purdue University*

9:00 am – 12:00 pm

Organizations today want employees with effective communication skills, or the ability to clearly send and receive messages to and from others. In this workshop, you'll learn how to effectively communicate verbally and nonverbally as well as how to listen for maximum understanding. You can expect to leave this workshop with a better understanding of your own communication strengths and opportunities as well as practical ideas for improving your own communication.

### WORKSHOP E / Room 111-112

#### **Lawn Turf 101: A Beginner's Primer**

*Cale Bigelow, Purdue University*

9:00 am - 12:00 pm | CCH = 3b:3, RT:3

This workshop is geared to those individuals who are new to the lawn-recreational turf industry and professionals seeking a refresher. It will cover a broad range of topics starting with how turfgrasses grow, species and cultivar selection, and establishment techniques. Then moving to the how's and why's of key cultural management inputs (mowing, supplemental irrigation and feeding) and culminating in a discussion of key seasonal pests encountered in our region.

### WORKSHOP F / Room 102

#### **Dead Turf, Dying Trees, and Some Plants in Between**

*Lee Miller, John Bonkowski, Tom Creswell*

1:00 – 4:00 pm | CCH = 2:1, 3a:2, 3b:2, RT:2

Diagnoses of turfgrass, ornamental and tree problems are difficult endeavors, that involve not only assessment of the host-pathogen relationship but may often also require some detective work with the client. This workshop will detail the sample submissions to the Purdue Plant & Pest Diagnostic Lab over the last few years for both the shortest and tallest of plants, to uncover similarities and trends that can help you diagnose and effectively manage abiotic disorders and plant diseases in the landscape.

## Monday, February 9, 2026

### WORKSHOP G / Room 116

#### **Leading and Coaching for Superior Performance**

*Jeremiah Sinks, Purdue University*

1:00 pm - 5:00 pm

In this course, participants will learn effective processes for leading and coaching individuals and teams. Participants will have the opportunity to identify the key skills that they can practice on the job to get the best performance possible from the individuals and teams they lead.

### WORKSHOP H / Room 114

#### **Landscape Management 101**

*Kyle Daniel, Purdue University*

1:00 pm - 4:00 pm | CCH = 2:1, 3a:3, RT:3

This workshop, which is designed as an introductory course for landscape management basics, will include topics, such as proper planting, pruning, fertility, weed control, mulching, how plants grow, and more. This course will cover many topics that entry-level employees (and those that need a refresher) will need to know for the 2026 season.

### WORKSHOP I / Room 117

#### **CORE Pesticide Training-(separate registration required)**

*Fred Whitford, Purdue University*

8:00 am – 4:00 pm

Purdue Pesticide Programs offers the option of a day of training to prepare for the Indiana pesticide CORE certification exam. Training is NOT approved for CCHs (continuing certification hours). A certification exam WILL NOT be given at the training. Certification exams are ONLY available from the Metro Institute. The fee for the single day program is \$103.00. The fee includes study materials but does not include parking, meals or lodging.

**Sign up separately from IGE at <https://cvent.me/oNDq5v>**

## TUESDAY, FEBRUARY 10, 2026

### TUESDAY'S HIGHLIGHTS

**REGISTRATION HOURS:** 7:00 am - 5:00 pm

#### OPENING SESSION OPTIONS

##### **TURF • Rooms 109-110**

8:00 – 8:25 am • **Welcome and Purdue Turf Program Update**

*Aaron Patton, Purdue University*

8:30 – 9:30 am • **The Journey Matters: Beyond Ring-or-Bust Mentality**

*Derek Schultz, Purdue University Lead Media and Public Relations Specialist, Host, Gold & Black Radio and Colts Squad Show*

##### **LANDSCAPE • Rooms 107-108**

8:00 – 8:25 am • **Welcome and INLA Update**

*Kyle Daniel, Purdue University,*

*Shaun Yeary, Greendell and Musselman Landscape Solutions*

8:30 – 9:30 am • **Keep Moving Forward**

*Adam Bennett, People Driven Technology*

#### **TRADE SHOW OPEN • 9:00 am – 5:00 pm • Hall D**

Ribbon cutting outside Hall D with sponsors opening the Indiana Green Expo 2026 Trade Show. *Concessions open at Maryland Street Concessions*

##### **– Trade Show Lounge**

Refreshments available in the trade show lounge!

• *Lounge sponsor: Engledow Group.*

##### **– INLA Scholarship Silent Auction (One day only!)**

10:00 am – 4:00 pm • Hall D, Booth #536 • Bid on your favorite item!

All proceeds benefit the INLA Scholarship Fund (INEF). More info on p. 38.

##### **– New Product Showcase:**

Booth #251 • Discover new or soon to be released products to the Midwest market. Open during Trade Show hours. See p. 34-35.

##### **– TRADE SHOW FLOOR TALKS**

Proven Winners®: 10:00 am - 12:00 pm, 1:30 - 3:30 pm

Back of Hall D. More info on page 14.

#### **MRTF AWARDS RECEPTION**

5:00 – 7:00 pm • Convention Center, Rooms 103-104

Join us for a presentation of scholarship and award winners. We will honor Tom List with the 2026 MRTF Distinguished Service Award.

#### **INLA ANNUAL MEETING AND AWARDS RECEPTION**

5:00 – 7:00 pm • Convention Center, Rooms 105-106

A don't miss event for INLA members! Features annual Award of Excellence and special achievement awards as well as scholarship recipients.

## Tuesday, February 10, 2026

Trade Show Hours: 9:00 am – 5:00 pm

### TURF OPENING SESSIONS - ROOMS 109-110

8:00 – 8:25 am

#### Welcome and Purdue Turf Program Update

*Aaron Patton, Purdue University*

CCH = 3b:0.5, RT:0.5

8:30 – 9:15 am

#### The Journey Matters: Beyond Ring-or-Bust Mentality

*Derek Schultz, Purdue University Lead Media and Public Relations Specialist, Host, Gold & Black Radio and Colts Squad Show*

### LANDSCAPE OPENING SESSIONS - ROOMS 107-108

8:00 – 8:25 am

#### Welcome and INLA Update

*Kyle Daniel, Purdue University, Shaun Yearly, Greendell and Musselman Landscape Solutions*

CCH = 3a:0.5, RT:0.5

8:30 – 9:30 am

#### Keep Moving Forward

*Adam Bennett, People Driven Technology*

### LAWN CARE - ROOMS 107-108

10:00 – 11:00 am

#### Why Do We Mow Lawns? Benefits that might surprise you

*Aaron Patton, Purdue University*

CCH = 3b:1.0, RT:1.0

11:00 am – 12:00 pm

#### What Does OISC Do?

*Aaron Kreider, Office of Indiana State Chemist*

CCH = 2:1.0, 3a:1.0, 3b:1.0, 5:1.0, 6:1.0, 7a:1.0, RT:1.0

12:00 - 1:00 pm – Lunch break

1:00 – 2:00 pm

#### Organic Turfgrass Disease Control - A Golden or Unobtanium Ticket?

*Lee Miller, Purdue University*

CCH = 3b:1.0, RT:1.0

2:00 – 3:00 pm

#### Customer Complaints: How to Speak with Your Customers to Solve Their Issues and Concerns

*Jordan Schmidt, Heritage Landscape Supply Group/Green Velvet*

3:00 – 4:00 pm

#### 10 Things NOT to do as a Lawn Technician

*Zane Raudenbush, Davey Tree*

CCH = 3b:1.0, RT:1.0

4:00 – 4:45 pm

#### Panel Discussion: Perspectives on Hiring and Mentoring Talent from Young Professionals

*Hudson Harrel (Harrelawn and Landscape), Madilyn Hasler (Wesley's Landscape & Lawncare), Brock Neff (Lawn Tamer)*

## Tuesday, February 10, 2026

Trade Show Hours: 9:00 am – 5:00 pm

### GOLF - ROOMS 109-110

10:00 am – 10:30 am

#### **Thinking About Converting Turf to Native Prairie? Things You Should Know**

*Ryan Beard, Purdue University*

CCH = 3b:0.5, 6:0.5, RT:0.5

10:30 am – 11:30 am

#### **Strategies to Overcome a Packed Tee Sheet: Improve Maintenance Efficiency and Playing Conditions**

*Adam Moeller, Moeller Consulting*

CCH = 3b:1.0, RT:1.0

11:30 am - 1:00 pm – Lunch break

1:00 – 2:00 pm

#### **Using Drones on Golf Courses - Current BMP's and Limitations**

*Zane Raudenbush, Davey Tree*

CCH = 3b:1.0, RT:1.0

2:00 – 3:00 pm

#### **Managing the Unmanageable: Selective Control of Invasives in Golf Course Native Fescue Turf Systems**

*Jerry Huseman, Turfgrass & Agricultural Consultant AccuSpray*

CCH = 3b:1.0, RT:1.0

3:00 – 4:00 pm

#### **Managing Putting Greens During Summer Weather Extremes**

*Adam Moeller, Moeller Consulting*

CCH = 3b:1.0, RT:1.0

4:00 – 4:45 pm

#### **ABW: A Big Worry for A Bad Weevil**

*Jonathan Larson, University of Kentucky*

CCH = 3b:0.75, RT:0.75

### SPORTS FIELDS - ROOM 102

11:00 am – 12:00 pm

#### **Winning Renovations: Strategies for High-Performance Fields**

*Andrew Marking, Bush Turf*

CCH = 3b:1.0, RT:1.0

12:00 - 1:00 pm – Lunch break

1:00 – 2:00 pm

#### **Bean Counters, Bosses, and Bros - How to Handle ALL of the Conversations**

*Ryan DeMay, Field Source Ohio*

2:00 – 3:00 pm

#### **Data-Driven Sports Field Management**

*Tyler Carr, Ohio State University*

CCH = 3b:1.0, RT:1.0

3:00 – 4:00 pm

#### **How to Get Rid of Weedy Perennial Grasses from Your Sports Fields**

*Aaron Patton, Purdue University*

CCH = 3b:1.0, 6:1.0, RT:1.0

4:00 – 4:45 pm

#### **What are Biostimulants and What Do They Do?**

*Mike Fidanza, Penn State University*

CCH = 3b:1.0, RT:1.0

## Tuesday, February 10, 2026

Trade Show Hours: 9:00 am – 5:00 pm

### LANDSCAPE INSTALLATION & MAINTENANCE - ROOMS 105-106

11:00 am – 12:00 pm

#### Email Marketing: The Upsell Superstar

*Katie Elzer-Peters, The Garden of Words*

12:00 - 1:00 pm – Lunch break

1:00 - 2:00 pm

#### Beyond the Target: The Science Behind Herbicide Injury and Plant Prognosis

*Kyle Daniel, Purdue University*

CCH = 2:1.0, 3a:1.0, 3b:1.0, 6:1.0, RT:1.0

2:00 - 3:00 pm

#### What's in Your Dirt? Root Rots and Soilborne Issues

*John Bonkowski, Purdue University*

CCH = 2:1.0, 3a:1.0, RT:1.0

3:00 - 4:00 pm

#### What Does OISC Do?

*Aaron Kreider, Office of Indiana State Chemist*

CCH = 2:1.0, 3a:1.0, 3b:1.0, 5:1.0, 6:1.0, 7a:1.0, RT:1.0

### PLANT MATERIALS - ROOMS 103 - 104

11:00 am - 12:00 pm

#### Know Your Native Plant Versatility – Grow Economical, Strong, and Beautiful

*Crystal DeBoer (Stantec), Pedra Sage (Sage Garden Design)*

CCH = 3a:1.0, RT:1.0

12:00 - 1:00 pm - Lunch Break

1:00 pm - 2:00 pm

#### Sustainable & Stunning: Pro Plant Picks for Modern Landscapes

*Wayne Gruber, Niemeyer's Landscape Supply*

CCH = 3a:1.0, RT:1.0

3:00 - 4:00 pm

#### Breeding Against Industry Trends at a Non-Profit Organization

*Justin Lombardoni, Chicago Botanic Gardens*

## Tuesday, February 10, 2026

Trade Show Hours: 9:00 am – 5:00 pm

### Hardscape - Room 116

2:00 pm - 3:00 pm

#### **Selling Outdoor Audio by Sonance**

*Rick Hughes, Automatic Supply*

3:00 - 4:00 pm

#### **Hardscape**

*Chris Geryak, Greendell & Musselman Landscape Solutions*

4:00 - 5:00 pm

#### **Landscape Lighting Innovation**

*Rick Hughes, Automatic Supply*

### Vegetation Management - Room 116

9:30 - 10:30 am

#### **Herbicide Options for Gravel Drives: What You Need to Know**

*Brandon McNally (Purdue University), Geoff Schortgen (Purdue University)*

CCH = 3a:1.0, 3b:1.0, 6:1.0, RT:1.0

10:30 - 11:30 am

#### **Application Technology and Calibration Techniques for Roadside Vegetation Management**

*Zane Raudenbush, Davey Tree*

CCH = 3a:1.0, 3b:1.0, 6:1.0, RT:1.0

11:30 - 12:30 pm

#### **Integrating Precision Aerial Application Technologies with Sustainable Native Fescue Management**

*Jerry Huseman, Turfgrass & Agricultural Consultant (AcuSpray)*

CCH = 3b:1.0, 6:1.0, RT:1.0

### Spanish Track - Room 117

1:00 - 2:00 pm

#### **Seguridad y adaptación: Protegiendo a paisajistas de peligros laborales y riesgos inesperados / Safety and Adaptability: Protecting Landscapers from Workplace Hazards and Unexpected Risks**

*Carlos Reichman, Gallagher*

CCH = 3a:1.0, RT:1.0

2:00 - 3:00 pm

#### **El arte del cordaje y su historia / The Art of Rigging and History**

*Jose Eduardo Medina, Davey Tree*

3:00 - 4:00 pm

#### **Identificación de malezas y manejo de herbicidas / Weed Identification and Herbicide Handling**

*Jeanine Arana, Purdue University*

CCH = 2:1.0, 3a:1.0, 3b:1.0, 6:1.0, RT:1.0

4:00 - 5:00 pm

#### **El cordaje de diferente ángulo / Rigging from a Different Angle**

*Jose Eduardo Medina, Davey Tree*

## Tuesday, February 10, 2026

Trade Show Hours: 9:00 am – 5:00 pm

### PROFESSIONAL DEVELOPMENT - ROOMS 111 - 112

1:00 - 2:00 pm & 2:00 - 3:00 pm

#### **Accounting for Contractors**

*Dean Ricci, Ricci's Landscape Management*

3:00 - 4:00 pm

#### **SOPs in 1-2-3**

*Katie Elzer-Peters, The Garden of Words*

4:00 - 5:00 pm

#### **Streamlining Business with Digital Records and AI**

*Dennis Buckmaster, Purdue University*

### Trade Show Talks - Hall D

10:00 am - 12:00 pm

#### **Top Performing Landscape Perennials**

*Proven Winners®*

1:30 - 3:30 pm

#### **Color Choice® Shrub Updates**

*Proven Winners®*

10:00 - 11:00 am

**Using Mother Nature to Time Herbicide Applications**

*Kyle Daniel, Purdue University*

CCH = 2:1.0, 3a:1.0, 3b:1.0, 6:1.0, RT:1.0

## Wednesday, February 11, 2026

Trade Show Hours: 9:00 am – 1:00 pm

### GOLF - ROOMS 109 -110

8:00 – 9:00 am

#### **Getting Fungicides to Last Through a Challenging Environment**

*Lee Miller, Purdue University*

CCH = 3b:1.0, RT:1.0

9:00 - 10:00 am

#### **Best Management Practices to Maximize Soil Surfactant Efficacy**

*Jada Powlen, Purdue University*

CCH = 3b:1.0, RT:1.0

10:00 – 11:00 am

#### **Leadership, Communication and Managing Stress During Peak Season Challenges**

*Mark Jordan, Jordan Golf Advisory Services*

11:00 am – 12:00 pm

#### **Fairy Ring Management With a Focus on Soil Moisture Status**

*Mike Fidanza, Penn State University*

CCH = 3b:1.0, RT:1.0

12:00 - 1:30 pm -- Lunch Break

1:30 - 2:30 pm

#### **Irrigation Strategies Under Drought Stress**

*Tyler Carr, Ohio State University*

CCH = 3b:1.0, RT:1.0

2:30 - 2:45 pm

#### **What Microbes May Reside in Golf Course Putting Green Drainage?**

*Mariah Cashbaugh, Purdue University*

CCH = 3b:0.25, RT:0.25

2:45 - 3:00 pm

#### **Interseeding Practices for Reducing Dollar Spot on Fairways**

*Justice Ruwona, Purdue University*

CCH = 3b:0.25, RT:0.25

3:00 - 3:15 pm

#### **Assessing the Impact of Autonomous Mowing on Dollar Spot**

*Thomas Lai, Purdue University*

CCH = 3b:0.25, RT:0.25

3:15 - 3:30 pm

#### **Mowing Requirements of Zoysiagrass versus Bermudagrass**

*Naba Amgain, Purdue University*

CCH = 3b:0.25, RT:0.25

### TREE CARE - ROOM 102

1:00 - 2:00 pm

#### **Growing Healthy Trees in the Built Environment: A Review of Expert Remediation Techniques & Engineering Solutions**

*Michelle Catania, Morton Arboretum*

CCH = 2:1.0, 3a:1.0, RT:1.0

2:00 - 3:00 pm

#### **Tree Planting Standards: Thinking Long-Term When Planting Trees**

*Seth Inman, Mother Nature Landscaping*

CCH = 3a:1.0, RT:1.0

# Join Us on the stage in Hall D!

## TUESDAY - 2/10:

**10am-12pm**  
Top Performing  
Landscape Perennials

**1:30pm-3:30pm**  
Color Choice<sup>©</sup>  
Shrub Updates

## WEDNESDAY - 2/11:

# THANK YOU SPEAKERS!

The Indiana Green Expo would not be possible without the incredible contributions of our dedicated speakers, who generously share their time, knowledge, and expertise to deliver exceptional educational programming year after year.

Their commitment to advancing the industry and investing in the growth of professionals across our community is what makes this event so impactful. We are equally grateful for our vendors, whose belief in building lasting relationships and supporting our sponsoring associations helps make the Expo a success.

Your partnership, involvement, and continued support play a vital role in bringing this event to life. We sincerely thank each and every one of you for being an essential part of the Indiana Green Expo.

## EDUCATIONAL CREDITS

(For all educational programs)

All programs are eligible for Indiana Accredited Horticulturist (IAH) and Landscape Industry Certified (CLT-E) continuing education units (CEUs). In addition to attending classes, **attendees receive 7 IAH CEU's by attending the 2026 Indiana Green Expo.**

Other continuing education units requested from this program include:

- American Society of Landscape Architects (ASLA)
- Golf Course Superintendents Association of America (GCSAA)
- Interlocking Concrete Pavement Institute (ICPI)
- International Society of Arboriculture (ISA)
- Master Gardener Continuing Education Credits (CECs) are available on request.
- National Concrete Masonry Association (NCMA)
- Pesticide recertification credits for Michigan, Ohio, and Kentucky were also requested.
- Local Technical Assistance Program (LTAP)

## CCH/CEU INFORMATION

*(For all educational programs)*

**Continuing Education Requirements for a variety of certification programs are as follows and are based on one hour:**

- Indiana Accredited Horticulturist – 7 hours per two year period for recertification. *Reference [www.inla.org](http://www.inla.org) (see next page for form)*
- Landscape Industry Certified – 24 per two year period for recertification. *Reference [www.landscapeprofessionals.org](http://www.landscapeprofessionals.org)*
- American Society of Landscape Architects – 24 per two year period for recertification. *Reference [www.asla.org](http://www.asla.org)*
- Pesticide/Fertilizer License – five year period for license renewal.  
*Reference <https://oisc.purdue.edu/>*  
Category 2 – 10  
Category 3A – 15  
Category 3B – 20  
Category 5 – 15  
Category 6 – 15  
Category 7a – 20  
Category RT – 8
- International Society of Arboriculture – three year period for recertification. *Reference [www.isa-arbor.com](http://www.isa-arbor.com) - See the registration desk for a list of approved ISA CEU's.*
- International Concrete Paver Institute – two year period for recertification. *Reference [www.icpi.org](http://www.icpi.org)*  
Certified Installers – 8
- Private Applicator Recertification (PARP) will be offered in the production session.

**NOTE:** Please reference your individual continuing education criteria to assure Indiana Green Expo programs apply.

## CEU FULFILLMENT TRACKING FORM

### Indiana Accredited Horticulturist Program

(7 hours of continuing education required over a two-year period, must be accompanied by a recertification fee—\$25 for INLA members and \$45 for non-members.)

IAH CEUs can be earned by attending any of the educational sessions, excluding INLA Annual Meeting. One (1) hour of education equals one (1) CEU (continuing education unit).

## INEF SILENT AUCTION

Dear IGE Attendee,

This year's donations from 2026 exhibitors helped fund the **Indiana Nursery Endowment Fund (INEF)**. INEF annually offers a scholarship to be awarded to a full-time student enrolling at Purdue University or Vincennes University in landscape horticulture.

The scholarship recipient will receive 50% of their scholarship with the first installment at the beginning of their first semester. The final 50% of their scholarship installment will be awarded to the recipient at the beginning of their third semester provided they are still enrolled in landscape horticulture field at Purdue University or Vincennes University and have achieved a "C" grade average.

### Scholarship Winners for 2025 are:

**Trista Browning – Evansville: 5,000.00 for 2025 and \$5000.00 for 2026 school year**

**Employer – Second Nature Landscape Management, Newburgh IN**

**Chloe Swartz – Mt. Vernon, IN - \$5,000.00 for 2025 and \$500.00 for 2026 school year**

**Employer – Second Nature Landscape Management, Newburgh, IN**

**\* 2026 Scholarship monies awarded based on college transcripts showing Hort/Landscape Major and 3.0 Grade Average minimum.**

### Donations:

**North Montgomery High School - Crawfordsville, IN \$2000.00**

**Indiana Nursery and Landscape Association - IAH Certification Manual to be in Spanish \$4000.00**

Again, many exhibitors will donate an item or their booth contents to the INEF Silent Auction to generate proceeds for the scholarship fund. Auction bid tickets will be available on Tuesday February 10, 2026 at the INEF booth # 536 on the trade show floor in Hall D. The bid tickets are offered to anyone wishing to bid on auction items from vendors inside the hall.

The INLA Annual Reception will be at the Indiana Convention Center, on February 10, 2026 from 5:00 – 7:00 pm (ish). The 2025 INEF scholarship winner will be recognized at the reception and will receive plaques for her scholastic achievements.

2025 Fundraisers raised around \$14,700.00 of which up to 80% was available towards 2026 Scholarship Applicants and Donation Request.

Thank you for supporting this worthy cause!

Sincerely,

**David LaFara - David LaFara Hardscape Services & INEF President**

### Thank you for attending the 2026 Indiana Green Expo.

The Indiana Green Expo (IGE) is presented by the Indiana Nursery and Landscape Association and the Midwest Regional Turf Foundation.

Unlike some for-profit trade shows, all proceeds from the IGE are used directly to better our industry through research, educational programming, and other supporting functions. Since the IGE is managed by green industry professionals for green industry professionals, you'll find targeted, industry-specific products, information, education, and networking that you can use immediately in your profession.

Midwest Regional Turf Foundation

# Instant Gratification RIGHT UNDER YOUR FEET

Family owned and operated, we understand what it takes to help our customers thrive in an ever-changing environment. We take pride in providing the best sod and best experience possible.

Our seed blend is low maintenance, able to withstand heavy foot traffic, & drought resistant.

We are a family-owned & operated farm. Our roots go back three generations in Central Indiana.

We are integrating generational wisdom with evolving, cutting-edge technology.

Typical orders are fulfilled door-to-door within 24-48 hours, weather permitting.

We offer competitive pricing. Call us for a quote. 317-207-1480.

**Stop by our booth, #311, located near the lounge, during the Indiana Green Expo & meet Kyle Brooks.**

Kyle holds a Masters degree in Ag Engineering, and his farming roots go back three generations. With decades of hands-on farming experience, growing is in Kyle's DNA.

Snap the code, give us a call, or visit our website to learn more about our sod.
